Morgan James Faith Offers a Source of Comfort

NEW YORK—March 18, 2015—Morgan James Publishing's (www.Morgan-James.com) new release, *Dance With Jesus: From Grief to Grace* by Susan B. Mead, gives readers a snapshot of the blessings they can find through heart wrenching pain, even through the unexpected loss of several loved ones.

Although Susan has lost her sister to suicide, her younger son to an accidental drug and alcohol interaction, and both her brother-in-law and his wife to cancer, she somehow greets each day filled with joyful expectation. Her secret? Jesus. Plain and simple, Susan found comfort in the only way she could. And it was not an earthly fix. Her healing came from encounters with the only One who is big enough to assuage grief that seems unbearable. And now Susan wants to share that miraculous comfort with others.

Dance With Jesus provides various snapshots of Susan's loss and recovery process. She recounts remarkable times with Jesus that left her filled with hope. *Dance with Jesus* also describes miraculous visions that helped Susan view death in a new way. Even though she misses those she lost, she has peace that they are in heaven, with Jesus and beyond pain.

Chunked into small chapters, each glimpse of Susan's experience engages readers, empathizes with their grief and points them toward hope. At the end of each chapter of *Dance With Jesus*, she asks her readers thought-provoking questions that invite them to be still for a moment with God for them to start thinking about what they just read and how the lessons apply to their lives.

Susan doesn't pretend that grieving is easy, but *Dance With Jesus* proves that healing is possible. Full of astounding stories and heartwarming lessons, *Dance With Jesus* will pull at reader's heartstrings and provide hope for a new day. Susan found new life through her tears, and *Dance with Jesus* will show readers how they, too, can have indescribable and unexplainable joy from the One who truly restores their souls.
